

ANNEXURE 8

CERTIFICATES OF COMMITTED MAIL RECEIPT

I had been working with Mr. Anadish K. Pal for the past 9 years as a technical assistant. I report on work at 9 a.m. and stay till 6 p.m. or even later. We all work all seven days a week. I plan my holidays and take them when needed. I am completely familiar with the mail-delivery routine of our local postman. I know the postman personally, and generally I pick up mail as soon as it is dropped at the gate. Whenever I gather mail, I instantly hand it over to Mr. Anadish K. Pal or his father.

I have been working with the Pal family since January 2000 as a housekeeper. I know the family very well for the last 15 years. I report on duty sharp at 9 a.m. and leave well after 7 p.m. I always give any mail that I receive from the postman to any of the three members of the Pal family.
